Want to come to Wilderness Dance Camp but need a little help?

The Oneness Project wants **you** to attend Wilderness Dance Camp this year. We have some amazing leaders and activities planned. We know not everyone has the funds to pay the full registration fees so we have created two options that might be just what you need:

1. Scholarships
2. Matching Funds Program

You may participate in only one option.

Scholarships

Partial scholarships are awarded to individuals when they would not be able to attend camp otherwise. To request scholarship support, submit the application form below by email or regular mail to the registrar.

Apply early because we consider them in the order they are received. Scholarship recipients will be informed of the amount awarded for their scholarship shortly after application. In order to retain your scholarship, your portion to attend camp will be due shortly after awarded or by July 1. The maximum scholarship is 45% of the early bird rate. We will give preference to seniors, young adults and children. See application next page.

Oneness Project Matching Funds

Oneness Project will match 100% of any monies raised by a Dance Circle or other entity to support dancers to attend Camp. The circle/entity must notify OP and specify the particular person(s) and amounts each receives up to the full amount of that camper's registration fee. Monies collected by a dance circle or entity should be

given to the recipient to enclose with their registration fees.
