

ONeness Project's Wilderness Dance Camp 2019

Matching Grants Program

(Applicants in this program may NOT also apply for WDC's Application for Scholarship Support.)

Deadline: June 15; Circles/Entities that are participating in this program (OP doesn't match personal donations here) should let the WDC Registrar know *immediately* but *please* do all the interim organization, money collection, etc. yourself, or assign that job to someone in your circle/group. (Send one check.)

Registration fees for applications in this program are as follows:

Adults:	Cabin or Tenting	\$375
Age 13-18:		\$300
Age 6-12:		\$250
1 st Half		\$225

Oneness Project will match 100% of any monies raised by a Dance circle or other entity (please name) to support dancers to attend Camp. The circle/entity can specify the particular person(s) and amounts each receives up to the full amount of that camper's registration fee. If a circle raises more they can designate a second (or third, etc.) person to receive the funds. If the circle does not designate a recipient OP will match and pool and apply that money to 2019 registrants in need of funding.

Some Examples:

1. if the Bozeman Dance Circle raises \$150 to support an adult dancer to attend as a camper OP will match that \$150 and that person will only need to pay \$75 towards their registration fee.
2. if the Seattle Circle sends \$450 for a family of three (mother and two kids 12 or under) OP will match the \$450; Voila! the whole family is paid for! (\$375+(2x\$250)-\$900...and \$20 goes into the general grant pool)
3. if the Ruhaniat makes a grant of \$900 for Teens (13-18 years young) to attend OP will match the \$900 and that sends 6, yes SIX! (6x300) young folks to camp.
